Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB)

Title: Application and Reporting Requirements to support projects under the Adoption Opportunities Program.

OMB No.: New Request.

Description: The major efforts mandated by the authorizing Adoption Opportunities program legislation, section 205 of the Child Abuse Prevention and Treatment and Adoption Reform Act of 1978, (Pub. L. 95-266), as amended are:

(a) The development and implementation of a national adoption and foster care data gathering and analysis system;

(b) The development and implementation of a national adoption information exchange system;

(c) The development and implementation of an adoption training and technical assistance program;

(d) Increasing services in support of the placement in adoptive families of minority children who are in foster care and have the goal of adoption, with a special emphasis on the recruitment of minority families;

(e) Increasing post-legal adoption services for families who have adopted children with special needs;

(f) Studying the nature, scope, and effects of the placement of children in kinship care arrangements, pre-adoptive, or adoptive homes;

(g) Studying the efficacy of States contracting with public or private nonprofit agencies (including

community-based and other organizations);

(h) Consult with other appropriate Federal departments and agencies in order to promote maximum coordination of the services and benefits provided under programs carried out by such departments and agencies with those carried out by the Secretary, and provide for the coordination of such aspects of all programs within the DHHS relating to adoption;

(i) Maintain a National Resource Center for Special Needs Adoption; and

(j) Provide for the provision of programs aimed at increasing the number of minority children (who are in foster care and have the goal of adoption) placed in adoptive families, with a special emphasis on recruitment of minority families.

In these areas, research and demonstration grants are awarded through a competitive process to States, local government entities, federally recognized Indian Tribes and tribal organizations, colleges and universities, public or private nonprofit licensed child welfare or adoption agencies, adoption exchanges and community-based organizations with experience in working with minority populations.

Each of these areas is addressed each year, as new awards or as continuations of awards from previous years' competitions. Over time, the projects have demonstrated that improvements in placing children with adoptive families are achieved when permanent plans are made and carried out very early in the placement; when there are sufficiently trained and experienced staff; and when there are resources available and administrative commitments to adoption and to coordinated community-based efforts.

Respondents: Not-for-profit institutions.

Subject for OMB Review; Comment Request

Title: Evaluation of the Early Head Start Fatherhood Demonstration.
OMB No.: New Collection.
Description: ACYF, in partnership with the Office of Child Support Enforcement (OCSE), recently funded 21 Early Head Start grantees to develop and implement creative practices to increase

the involvement of fathers in their Early Head Start program and in the lives of their children. This submission requests approval to conduct the survey of demonstration staff and to collect father participation data from the demonstration programs.

Respondents: To reduce the burden of demonstration staff, the survey will be configured in four versions. The Director Version will be completed by the Early Head Start program directors. The Father Coordinator Version will be completed by the staff member responsible for father activities. The Family Specialist Version will be completed by the staff member who works most closely with the Early Head Start families in the home. The Teacher Version will be completed by the staff member working with families of children participating in the Early Head Start child care programs.
